- Military members must provide proof of enlistment before any dues renewal period.
- Current members wishing to switch to a Military Family Membership must submit a Military Family Membership application.
- A Military Family Membership can include two adults (over 18 years old) of the same household, and must include at least one adult.
- A Military Family Membership may include unlimited children under the age of 18 (do not need to be in the same household).
- In a Military Family Membership, one adult is considered the primary adult. The primary adult may obtain voting privileges within the association.
- The secondary adult is considered “honorary” and has no voting privileges.
- The secondary must attend a new member orientation and present proof of enlistment or provide a BCI check.
- Children will be removed from the Military Family Membership on their 18th birthday.
- Children reaching the age of 18 may become provisional members. The Standard Membership dues rate will apply excluding the initiation fee.
- Children must be accompanied by an adult while on TRGC property.
- Military Family Membership initiation fee will be double the Standard Membership initiation fee.
- If the primary adult does not renew his or her annual membership, all members listed under the Military Family Membership will be dropped from the TRGC membership roster.

- Current members wishing to switch to a Military Family Membership must submit a Military Family Membership application. The member will be billed the difference between the Military Membership dues rate and the Military Family Membership dues rate. Initiation fees will be assessed as follows:
 - Current member adds children – no initiation fee for conversion
 - Two current members switch to a family membership – no initiation fee for conversion.
 - Current adult converts and adds a secondary adult who is not a member – a single initiation fee will be assessed. New adult member must attend orientation and provide background check.
