

TRGC Standard Membership Policy

- **Provisional Membership**

All new members are considered "Provisional" members and receive a yellow membership card. "Provisional" members do not have the right to vote at association meetings.

- **Regular Membership**

Members in good standing for one year who have completed a minimum of fifteen hours of volunteer service for the club are eligible for "Regular" membership. "Regular" members have the right to vote at the association meetings. To become a "Regular" member, you must first fulfill the minimum requirements and then submit an application to the Membership Committee. Membership status will change to Regular once the application is approved by the Board of Trustees and by the members at the regular monthly meeting. A "Regular" member will be issued a white membership card.

- **General Membership Information**

Members are eligible to receive a dues discount based on the number of volunteer work hours donated to the club each year. Volunteer work hours must be approved by a chairman or elected official of the association. Volunteer work hours are recorded by the chairman of the committee for which the work was completed and are submitted to the Membership Committee. The membership renewal period starts on January 1st and ends on February 15th.
